End of Life Product Notice for DDX Range

13th May 2024

Dear Customer

Due to component obsolescence, Adder Technology is announcing the end of life of the following products. This is forced by a number of components that are no longer available, there is limited stock which amounts to about 3 months of our forecasted averages. The EOL part numbers are below.

EOL Part Number	Description	Suggested Replacement	Description
DDX10	ADDERView® DDX10 Matrix Switch	N/A	N/A
DDX30	ADDERView DDX30 Matrix Switch	N/A	N/A
DDX-USR	ADDERView DDX User Station	N/A	N/A
DDX-CAM-DP	DDX Computer Access Module (CAM) DP	N/A	N/A
DDX-CAM-DVI	DDX Computer Access Module (CAM) DVI-D	N/A	N/A
DDX-CAM-VGA	DDX Computer Access Module (CAM) VGA	N/A	N/A

There is NO direct recommended replacement however we would recommend you contact your Adder representative to find the best alternative for your application. The following alternatives are likely to cover most requirements:

ADDERLink® XDIP <https://www.adder.com/en/kvm-solutions/adderlink-xdip>

ADDERLink INFINITY <https://www.adder.com/en/infinity>

ADDERView CATx 4000 <https://www.adder.com/en/kvm-solutions/adderview-catx-4000>

Adder advises that you review your supply requirements immediately and place orders as soon as possible. Stock is limited and therefore Adder is unable to guarantee supply of exact quantities of the announced obsolete product.

We would like to have your last set of orders confirmed by the end of June 2024 and can allow you to schedule these orders out to the end of Sept 2024.

All Adder products come with the standard two-year warranty.

Please contact your local Adder representative or your supplier with any further enquiries.
